

MEMO FOR DCI

14 May 80

From: [redacted]

STAT

OK

1. Re the refill on the prescription you gave me this morning. The dermatology clinic would prefer to have a look at you to see if you should retain this prescription or have another. After your eyes are dilated in the morning for your eye examination, they will quickly run you over to dermatology for a new prescription. [redacted] has the old prescription should they need to see it.

STAT

OK

2. You have tentatively accepted an invitation to a reception hosted by [redacted] at 1830 on 20 May. You will arrive back in Washington [redacted] 1800 that evening. We should probably let [redacted] know soon if you're not going to make the reception.
